

PROJECT SEEKING INTERNATIONAL PARTNERS

PROJECT TYPE: Education

SPONSOR ROTARY CLUB: Rotary Club of Sao Paulo-Anchieta

DISTRICT: 4420

PROJECT LOCATION: Centro de Apoio ao Aprendizado Profissional do Ipiranga (CAAP'I) – Sao Paulo - Brazil

BRIEF PROJECT DESCRIPTION: This project is intend to provide an informatics classroom to CAAP'I – Centro de Apoio ao Aprendizado Profissional do Ipiranga, an educational institution devoted to the professional education of teenagers of both sexes, at the age ranging between 15 and 18 years old, belonging to poor families (families earning up to 4 minimum salaries) to prepare them to engage the first job. CAAP'I provides training courses over a period of 6 months viewing at preparing these teenagers to develop the basic knowledge of office administrative processes. Each year around 250 individuals are capacitated and introduced in their first job in associated companies. CAAP'I has 28 years of service devoted to the local community and has formed more than 6,000 individuals and helps them to successfully start their professional carriers.
