rotary in London/district 1130
district governor Colin Mathews

Dear Fellow Rotarian

District Governor Colin has asked me to remind all Rotarians in District 1130 that the RIBI Conference this year will be held in Blackpool from Friday 11th to Sunday 13th April 2008.

Not for nothing is Blackpool known as the "Playground of the North", a resort that has every conceivable type of entertainment within minutes of all the main hotels.

In addition to all this, the RIBI Conference itself promises exceptional speakers and more first class entertainment; Presidents are encouraged to bring with them as many of their Club members as possible to enjoy a weekend of fun and fellowship, which promises to revitalise them for the rest of the current year.

Full registration for the whole weekend is still available for only £40.00 pp and new Rotarians can register for only £20.00!

For further information including a Registration Form go to the RIBI Website at: www.ribi.org

David Smith
Fellowships and Events Chairman.
30th January 2008.
