## ROTARY CLUB MEETS ROTARACT

Late 2007 saw the first ever meeting between the Rotary Club of Leytonstone and Woodford and its younger counterpart Rotaract. During the summer of 2007 the Rotary Club assisted in the formation of a local Rotaract Club where young people between the ages of 18 - 30 can meet to socialise and learn about Rotary. The meetings for Rotaract are set up for every second Tuesday evening at the Alfred Hitchcock pub on the Whipps Cross Road, starting at 20:00.

A dinner between the young Rotaract members was set up with the Rotary Club where the Rotaract President, PJ Mitchell explained about their aims to have young business people meet socially, carry out voluntary activities and assist worthy charities. The dinner raised £517 to be split between the Children's Charity - Child Line, CAP's and the Friends of Whipps Cross Hospital

The President of the Rotary Club, Mary Barrett, wished them well and offer any assistance and advice where requested and to involve them in our activities when appropriate.

Any young business person wishing to join Rotaract should contact PJ Mitchell on 07912 101582 or the email address [lawrotaract@gmail.com](mailto:lawrotaract@gmail.com)

The member ship contact for the Rotary club remains our Membership Committee Chairman, Brian Huggett on 020 85304636
